FRESHLY HOPPED AND HAZY NEIPA (ABV 6% IBU 70)

For this year's Wet Hopped beer we turned the hop dial up to 11. Copious amounts of freshly picked Centennial hops from Vermont's Champlain Valley Hops. They provide their signature sticky pine and grapefruit resin grip to the party. For the dry hop we added select vintages to bring a touch of ripe peach and apricot. This beer is not for the faint of hops. *Hops: Chinook, Nugget, Fresh Centennial, Magnum*
